Zero Waste Events

Events Waste Management & Education Kit For Hire

Event recycling is a growing focal point for media and patrons. Your event is a stage for zero waste education. In addition to raising a positive event image, you can make a real difference in waste to landfill!

If you are considering recycling and waste minimization for your event, Xtreme Zero Waste can provide you with a variety of services:

BINS + DISPOSAL

Local events only

Event cage bins (pictured) \$45/set
Compost, Recycling (300 Litres) Landfill (200 litres)

BINS + DISPOSAL + TRANSPORT

Local events only

Event cage bins (as above) \$45/set
Drop-off and pick-up of full bins \$60

ON-SITE WASTE EDUCATOR

Our waste educator can provide a public face to your event recycling and keep your event clean and green! A waste educator can even run volunteers and provide a waste audit and diversion figures. Contact us!

EVENT PLANNING AND CONSULTANCY

Every event is different, and every solution to event recycling is specifically tailored. For more information on how we can help you achieve a Zero Waste event, contact us.

At approximately 70% diversion from landfill, we are turning Raglan's waste into resources and moving forward towards ZERO WASTE.

This Events Waste Management Kit was made possible from kind support from Coca Coal & Keep New Zealand Beautiful Beverage Container Recycling Community Grants Program

WHAT CAN BE RECYCLED AT EVENTS?

- Glass
- Aluminium and Tin Cans
- Plastic Bottles and Containers 1 - 7
- Paper and cardboard
- Clear film: No.4 i.e Bubble Wrap, Bread Bags
- Cooking Oil
- Compostables - Food Scraps & Biodegradable Plates, Cups and Cutlery

Our Event bins are equipped with clips to display what materials are used at your event! Educational signage shows what happens to the product when it leaves the users hands. This helps avoid contamination and produce clean recycling and compostable product!

BE A LEADER!

BE SUSTAINABLE!
